TRAUMA NOVA SCOTIA

PROVINCIAL TRAUMA COURSE

Re-designed in the Spring of 2023, the provincial trauma course provides in-person trauma education to health care providers at hospitals across the province. The one day course consists of a combination of lectures, high fidelity simulations, and skills stations taught by a trauma physician, RN and critical care paramedic.

WHO WE TRAINED?

REGISTERED NURSES

PARAMEDICS

STAFF PHYSICIANS

RESIDENT PHYSICIANS

PHYSICIAN ASSISTANTS

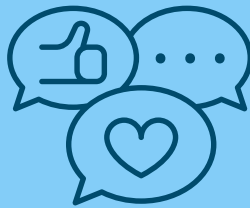

NURSE PRACTITIONERS

RESPIRATORY THERAPISTS

LICENSED PRACTICAL NURSES

181
TRAUMA PROVIDERS TRAINED FROM MAY - NOV 2023

PARTICIPANT FEEDBACK

"Combination of lecture and skills helped incorporate knowledge that will set up success for when an actual trauma comes in"

"As an ED nurse for 12 years this was my first time taking this course... amazing information!"

"Thanks so much, should be mandatory for all emergency staff."

"Amazing course and very relevant information"

IN 2023 WE VISITED ALL REGIONAL HOSPITALS IN THE PROVINCE, COMPLETING 10 COURSES

OUR GOAL FOR 2024 IS 15 COURSES, ALL 4 ZONES, AND A MIX OF REGIONAL & COMMUNITY SITES
